On p. 4, in Theorem 2, “The sequence $\{R_n\}_{n \geq 0}$ is log-concave” should be “The sequence $\{R_n\}_{n \geq 1}$ is log-concave”.

On p. 4, in the third line from the end of the proof for Theorem 2, “ $R_j^2 - R_{j-1}R_{j+1} > 0$ for $1 \leq j \leq 3$ ” should be “ $R_j^2 - R_{j-1}R_{j+1} > 0$ for $2 \leq j \leq 3$ ”.

On p. 4, at the end of the proof in Theorem 2, “Hence $\{R_n\}_{n \geq 0}$ is log-concave” should be “Hence $\{R_n\}_{n \geq 1}$ is log-concave”.
